

**NOMINATIONS FOR POSITIONS ON THE BOARD OF DIRECTORS
2018-2019**

Treasurer Michelle Nowlan (2nd mandate)

My name is Michelle Nowlan and I would like to inform you of my interest for the Treasurer Position open within the Board of Directors of the NBASW.

I graduated with a Bachelor Degree in Social Work from Université de Moncton in 1998 and have been a good standing member of the New Brunswick Social Work Association since August 2009.

Throughout my career, I have mostly worked within the mental health field and more specifically with adults living with mental illness. I am currently working for the Province of New Brunswick within the Department of Health for the Psychiatric Patient Advocate Services (as a Psychiatric Patient Advocate).

Since December 2012, I have been an active member of the Complaints committee for the NBASW and been the Chairperson since September 2016. I enjoy the chance it gives me to assure the social work profession continues to be up held to the high level of professionalism it is recognised for.

At this time, I am interested in the Treasurer's position, in which I have already served a term (September 2016 until present). I would like to continue to take on a more involved role in the NBASW. I believe my experience in the work place as a Social Worker could be brought to the Board of Directors to continue the service and support it already provides to its member as well as to serve and protect the public interest.

Chaleur Luc Poitras (2nd mandate)

I have a bachelor's degree in social work, as well as a master's degree in public administration, from Université de Moncton. I worked as a social worker for the Department of Social Development from 2000 to 2017, including nine years as a supervisor. I have been a senior case manager for WorkSafe NB since May 2017.
