Rehab Institute, Senior
Scientist with Institute for
Clinical Evaluative
Sciences

Susan Aglukark –
Singer/songwriter, Juno
award winner, Member
Order of Canada

Music is an important part of healthy aging and has become a recognized intervention in health care, improving quality of life and care at all stages of life. This one day conference is for anyone who wants to learn more about the role music plays in care and well-being. Participants include allied health care providers, family and volunteer caregivers, care receivers, musicians, faith-based and community agencies, students and the community-at-large.

Dr. Andrea Creech –
Director of Research,
Faculty of Education,
University of London,
England

Presented by:

Topics include:

- Music across the lifespan
- Music and mood
- Pathways singing program for memory care
- Aging creatively, aging well
- El Sistema New Brunswick
- Bringing music to hospice and palliative care
- Music and quality of life

CTRI is offering the following in-person public workshops:

[Violence Threat Assessment – Planning and Response](#)

Moncton: March 31, 2016

This workshop provides a communication and decision-making model to help businesses, schools, organizations and communities become more effective in their management of threats.

[Mindfulness Counselling Strategies – Activating Compassion and Regulation](#)

Fredericton: April 14-15, 2016

This workshop is designed to teach participants how to facilitate mindfulness-based strategies in their counselling work.

[De-escalating Potentially Violent Situations™](#)

Moncton: May 11, 2016

Participants of this workshop will develop a clear understanding of how to assess the potential for violence and respond with a diverse set of tools and strategies.

[Crisis Response Planning](#)

Moncton: May 12, 2016

This training will focus on how to organize effectively and quickly after a critical incident so that groups are better prepared to respond to the emotional needs of those affected by a tragedy.

[Working with Families – Strategies for Engaging and Helping](#)

Fredericton: June 7-8, 2016

This workshop will review strategies for engaging and working with more than one person at a time and also ways to consider including the impact of family when working with individuals.

Need our training sooner? Purchase a [pre-recorded webinar](#) or [resource manual](#).
