PROPOSED BY- LAW CHANGE, ADDITION OR DELETION

Section in question: *NBASW Schedule A Fees 6*

Present wording: *Annual membership fee for students will be \$30.00.*

Rationale for change: *The Canadian Association of Social Workers (CASW) and provincial associations have signed a new Memorandum of Understanding (MOU) that states the CASW will no longer charge the NBASW a fee for student members. Allowing students to join as student members at no cost will provide the NBASW, as the professional association, with the opportunity to build positive relationships with the future social work professionals of our province. Implementing this is revenue neutral and no cost to the NBASW. This change has the potential to significantly increase the retention and engagement of new members with the NBASW.*

PROPOSAL

Proposed change: *That the student membership fee in NBASW Schedule A Fees 6 be eliminated.*
