About East Coast Flourish

East Coast Flourish is a growing, values-driven practice committed to supporting individuals, families, and communities in their journey toward mental health and well-being. We are building a team where clinicians feel genuinely supported, valued, and inspired to do their best work.

The Role

We are looking for a compassionate and dedicated **Registered Social Worker (RSW)** to join our collaborative team. This hybrid position offers the flexibility to work both virtually and in person — designed to support your work-life balance while meeting the diverse needs of our clients.

Responsibilities

- Provide individual, family, or group therapy within your scope of practice
- Collaborate with a multidisciplinary team of like-minded professionals
- Maintain accurate and timely clinical documentation
- Participate in regular case consultation and professional development
- Contribute to a supportive, inclusive, and growth-oriented practice culture

Qualifications

- Current registration in good standing as an RSW
- Experience providing therapeutic services to individuals, families, or groups
- Strong communication skills and a collaborative spirit
- Commitment to ongoing learning and professional growth
- Comfortable working in a hybrid (virtual + in-person) environment

What We Offer

Flexible Hours Set days, evenings, or weekends that work for your life.	Hybrid Work Blend virtual and in-person sessions seamlessly.	Free Supervision Complimentary clinical supervision to support your growth.
Case Consultation Regular consult with a skilled, collegial team.	Training Ongoing training to expand your skills and knowledge.	Community Work alongside professionals who share your values.
